Important Advice

Our Cherish Second Home Insurance Policy is designed to protect You against the risk of things happening suddenly which You could not have expected such as fire, theft, Flood and Storm. It is not designed to protect You against losses that arise due to the gradual deterioration or poor maintenance of Your Home.

We want to ensure that You are fully aware of the extent of Your cover and would therefore urge You to read this Policy in full, along with the Policy Schedule. We have also taken this opportunity to bring some helpful information to Your attention.

This section does not form part of Your Policy and contains only examples of what is contained in Your wording.

Collision

If someone crashes into Your wall or Your house, make sure You record their name, address, vehicle registration and contact details. We will need this information to help Us try to recover Your Excess.

Drains

Some drains which use defective materials such as pitch fibre in their construction are prone to wear out over time naturally. If this happens they will not be covered by Your Policy, but there are more specific insurance policies available to protect You against this risk.

Escape of water

Your cover for escape of water is designed to cover damage to Your property caused by water leaks. One of the biggest risks of water damage occurs when You are away during the winter when pipes can freeze and burst, causing large amounts of damage.

If the Building is Unoccupied for 14 consecutive days or more between the months of October to March inclusive, You must ensure that either:

a. The gas, electricity and water are turned off at the mains and the water and heating system is drained; or

b. The Home shall be maintained at a temperature not less than 13ºC.

If the water and heating system is not drained between the months of October to March inclusive when the Home is Unoccupied for 14 consecutive days, then the £350 Excess for any claim under cover 4 on page 29 or cover 2 on page 36 is amended to an Excess of £1,000 unless an accredited water stop loss device has been installed.

In addition, many claims occur due to water leaks caused when the seals around Your bath or shower have worn away.

Pipes often burst because they have worn out. If this happens, We will be able to pay for the damage the water causes but not to repair the pipe itself.
Fires

A large percentage of fires start in the kitchen and are caused by faulty electrical appliances or unattended cooking pans and equipment – particularly chip pans. In addition candles, cigarettes, electric blankets and overloaded plug sockets cause a significant fire risk.

Please ensure You bear these risks in mind and take adequate precautions to protect everyone in Your Home.

Smoke alarms save many lives and significant damage every year. Please ensure that You have them fitted and check them regularly.

Floods

If water has or is expected to enter Your property, You should secure Your Home and move Your Valuables and essentials to an elevated place or upper floor. You should also turn off all the utilities like power, water and gas supplies at their main source and disconnect all electrical appliances if possible.

If You know that Your second Home is in an area which is prone to flooding, there are additional steps You can take to protect it. We would recommend contacting Your local Environment Agency for further advice or call Floodline on 0845 988 1188.

Storms

Properties are designed to withstand damage by all but the most extreme weather conditions. Normal weather conditions should not cause damage to a well maintained property and damage to poorly maintained homes is not covered by this Policy. It is therefore important that You keep Your property in a good state of repair. Areas that You should focus on include blocked or broken gutters or down-pipes and loose or damaged roof tiles.

Some areas like flat roofs, fascia boards and boundary walls are difficult to inspect. So if You cannot check them Yourself, You should employ a relevant building expert to do this for You.

Subsidence

Damage caused by Subsidence is the result of ground movement affecting Your property. The most common signs of this are diagonal cracks away from door and window frames. New properties will often move for reasons other than Subsidence and this natural Settlement is not covered.

Subsidence and other types of ground movement can be difficult and complex to repair. It is important that You tell Us as soon as possible if You think Your house may be affected.
Thefts

Many thefts are committed by so-called ‘opportunist’ criminals. Your property is significantly more likely to be burgled if accessible entrances are not locked and secured. Your Policy may carry an Endorsement about the security You have in place to prevent thefts. This usually requires You to have certain types of door and window locks. Make sure You check Your Schedule to ensure You have the right protection in place. If You fail to meet these requirements, We may impose a higher Excess for theft claims.

If You are leaving the Home vacant, do what You can to make it appear occupied. Ask a neighbour to pick up the mail, cancel milk and any other regular deliveries, and use timers on lights if You have them.

Garages and sheds are attractive to criminals as they are easier to break in to and often contain valuable items such as tools. Locking these is another important step to minimising the risk of a theft.

Making sure your cover stays in place

We asked You a number of questions when You purchased Your Policy and it is important You tell Us if any of these things change.

These parts of Your Policy are called conditions. In other words, Your cover remaining intact may be conditional on You giving Us the right information at the start of Your Policy and then letting Us know if Your circumstances change.

Examples of changes We need to know about are:

- If You are making changes to Your Building like adding an extension.
- If You think You need to make a claim.

Checking for changes to your cover

If You have varied the basic terms of Your Policy with Us, this will be stated on Your Schedule.

In addition, We may apply Endorsements that can include things like a requirement to have a burglar alarm fitted, a certain type of lock on Your doors, a larger Policy Excess on a specific section, or an increased limit for one of Your valuable items.

These definitions do not apply to Home Emergency or Family Legal Protection where separate definitions apply.

We/Us/Our

AXA Insurance UK plc.

You/Your

The person or persons named in the Schedule as the Policyholder and their domestic partner(s).
General Conditions

These conditions do not apply to Home Emergency or Family Legal Protection where separate definitions apply.

You must comply with the following conditions to have the full protection of Your Policy. If You do not comply with them, We may take one or more of the following actions:

• Cancel Your Policy.
• Declare Your Policy void (treating Your Policy as if it never existed).
• Change the terms of Your Policy.
• Refuse to deal with all or part of any claim or reduce the amount of any claim payment.

Providing accurate and complete information

When taking out, renewing or making changes to this Policy, You must take reasonable care to provide accurate and complete answers to all questions.

We may ask You to provide further information and/or documentation to ensure that the information You provided when taking out, making changes to or renewing Your Policy was accurate and complete.

Mains services / heating

If the Building is Unoccupied for 14 consecutive days or more between the months of October to March inclusive You must ensure that either:

a. The gas electricity and water are turned off at the mains and the water and heating system is drained; or
b. That the Home shall be maintained at a temperature not less than 13ºC.

If the water and heating system is not drained between the months of October to March inclusive when the Home is Unoccupied for 14 consecutive days, then the £350 Excess for any claim under cover 4 on page 29 or cover 2 on page 36 is amended to an Excess of £1,000 unless an accredited water stop loss device has been installed.

The value of your contents

You must notify Us as soon as possible when the full value of Your Contents exceeds the amount shown in Your Policy Schedule. If the amount shown on Your Schedule represents less than 100% of the full replacement value of Your Contents, We will only be able to settle claims at the percentage You are insured for. For example if the value of Your Contents shown on Your Schedule only represents 70% of the full replacement value then We will not pay more than 70% of Your claims.

The full replacement value of Your Contents means the current cost to replace all of Your Contents as new.
If the full replacement value of Your Contents exceeds the amount shown in Your Schedule the cover under the Policy will no longer meet Your needs.

The value of your buildings

You must notify Us as soon as possible if the full rebuilding cost of Your Buildings exceeds the amount shown in Your Policy Schedule. If the amount shown on Your Schedule represents less than 100% of the full replacement value of Your Buildings, We will only be able to settle claims at the percentage You are insured for. For example if the value of Your Buildings shown on Your Schedule only represents 70% of the full replacement value then We will not pay more than 70% of Your claims.

The full rebuilding cost of Your Buildings means the cost of rebuilding if the Buildings are completely destroyed. This is not necessarily the market value.

If the full rebuilding cost of Your Buildings exceeds the amount shown in Your Schedule the cover under the Policy will no longer meet Your needs.

Updating sums insured

Although this Policy does not specifically provide for increases to take account of inflation, the level of cover selected will be reviewed periodically and You will be advised when general increases take place.

However, the value of Your Contents or Your Buildings may be growing faster, perhaps because of acquired items or improvements to the property such as adding a conservatory.

You should ensure that You have sufficient cover and if in doubt, You should contact Cherish Insurance Brokers for assistance.

Taking care of your property

You must take all reasonable precautions to avoid injury, loss or damage and take all reasonable steps to safeguard all the property insured from loss or damage.

You must maintain the Buildings and Contents in good repair.

Dual insurance

If any injury, loss, damage or liability is covered by any other insurance then We will not pay more than Our share.
Changes in your circumstances

You must tell Us as soon as possible if Your circumstances change or if any of the information shown in Your proposal form, statement of fact or Schedule changes during the Period of Insurance.

Examples of changes We must be made aware of are:

- Change of address.
- Structural alteration to Your Home.
- You or Your Family intend to let or sub let Your Home.

- Your Home is no longer occupied solely by You or Your Family and Friends.
- If You have been declared bankrupt or been subject to bankruptcy proceedings.
- If You have received a police caution for or been convicted of or charged with any offence other than driving offences.

We will then tell You if there will be any change to Your insurance premium or any change in the terms of Your Policy.

You must ensure that You provide accurate and complete information when asked questions about the changes in Your circumstances.

If You are in any doubt please contact Cherish Insurance Brokers on 0800 197 2770.

• Take all reasonable steps to prevent further damage.

Claims process

When You telephone Us on 0800 197 2770 We will do the following:

a. Take details of the loss.

b. Arrange for an approved tradesperson to provide Us with an estimate or undertake emergency repairs immediately.

c. Instruct an approved supplier to contact You if appropriate.

d. Where necessary, arrange for someone to call or contact You by telephone as soon as possible to discuss Your claim. This person may be one of Our own claims staff or an independent Chartered Loss Adjuster.
Emergency process

We provide a 365 days a year, 24 hours a day, Domestic Helpline. By telephoning the Helpline shown in Your Schedule and the Important Telephone Numbers page in Your Policy, an approved contractor will be appointed and will effect a temporary repair. You will remain responsible for any call out charges, parts and cost of labour, however these repairs may be covered under the Policy.

We should, however, be given the opportunity to inspect the damage before permanent repairs commence or any item is disposed of. Please refer to the Home Emergency section in Your Policy for the full terms and conditions.

What you must do after making your claim

- Tell Us and provide full details in writing as soon as possible if someone is holding You responsible for damage to their property or bodily injury to them and send to Us any writ, summons, letter of claim or other document.
- If requested, send written details of Your claim to Us within 30 days.
- To help prove Your claim We may require You to provide original purchase receipts, invoices, bank or credit card statements, instruction booklets, photographs, utility bills, pre-purchase surveys or plans and deeds to Your property.
- To help assist with dealing with Your claim We may require You to obtain estimates for the replacement or repair of the damaged property.
- We will only ask for information relevant to Your claim and We will pay for any reasonable expenses You incur in providing the above information as part of Your claim.

What you must not do

- Admit or deny any claim made by someone else against You or make any agreement with them.
- Abandon any property to Us.
- Dispose of damaged items as We may need to see them.

We are entitled to take over any rights in the defence or settlement of any claim and to take proceedings in Your name for Our benefit against any other party.

We are entitled to take possession of the property insured and deal with any salvage. We may also pursue any claim to recover any amount due from a third party in Your name.
We may repair, reinstate or replace the damaged property. If We cannot replace or repair the property We may pay for the loss or damage in cash.

Where We can offer repair or replacement through a preferred supplier, but We agree to pay a cash settlement, then the payment will not exceed the amount We would have paid the preferred supplier.

If no equivalent replacement is available then We will pay the full replacement cost of the item with no discount applied.

With Your agreement We may appoint an approved supplier to act on Our behalf to validate Your claim. They are authorised to arrange a quotation, a repair or a replacement.

Contents

We will settle claims for loss or damage to items which are beyond economic repair on the basis of cost as new, as long as:

- The Contents have been maintained in good repair.
- The amount shown in Your Policy Schedule is sufficient to cover the full value of the property.

For Contents the full value means the current cost to replace all Your Contents as new.

Buildings

We will settle claims for loss or damage to the Buildings without taking off an amount for wear and tear, as long as:

- The Buildings have been maintained in good repair.
- The amount or any higher limit shown in Your Policy Schedule is sufficient to cover the full value of the Buildings.

For Buildings, full value means the cost of rebuilding if the Buildings were completely destroyed. This is not the market value.

Matching sets, suites and carpets

We treat any individual items of a matching set or suite of furniture, sanitary ware or other bathroom fittings as a single item. We will pay You for individual damaged items but not for undamaged companion pieces.

If a floor covering is damaged beyond repair We will only pay to have the damaged floor covering replaced. We will not pay for undamaged floor covering in adjoining rooms.
No claims discount is earned separately under both the Buildings and Contents sections of Your Policy. It will increase by one year for each year You have not made a claim up to the maximum number of years allowable.

Any claims under the Home Emergency and Family Legal Protection sections will not affect Your no claims discount.

No claims discount protection

Your Policy automatically includes protected no claims discount.

- You can make one claim in a three year period and Your no claims discount will not be reduced.
- For any second claim in a three year period Your no claims discount will be reduced by three years on the section(s) under which You have made the claim, either Buildings or Contents or both.
- For any subsequent claim in a three year period Your no claims discount will be reduced to nil on the section(s) under which You have made the claim, either Buildings or Contents or both.

Specialist lawyers are at hand to help You. If You need a lawyer or accountant to act for You and Your problem is covered under this insurance, the helpline will ask You to complete a claim form.

If Your problem is not covered under this insurance, the Helpline may be able to offer You assistance under a private funding arrangement.

Simply telephone 0870 850 9081 and quote “Cherish Second Home Insurance”.

Additional legal services

In this package, Our aim is to provide a wide ranging insured legal service. Inevitably there are areas where it is not possible to insure legal expenses, in particular those which everybody at some time faces but which are nevertheless often expensive and sometimes unexpected.

Examples are:

a. Legal expenses arising from the sale or purchase of the Home and re-mortgaging.
b. Divorce and child custody issues.
c. Wills and probate.

To help You deal with these and other matters which may arise, We are able to give You access to discounted legal services provided by Us in partnership with Our panel solicitors. Our panel solicitors are one of the country’s leading law firms with expertise in all areas where assistance is likely to be required.

If You would like to make use of the service, please contact the number above for an initial telephone consultation which will be provided at no cost to You. Our panel solicitors will give You a quotation for the likely cost of their representation and it will then be Your decision whether You appoint them to act for You.
