Important: Information You Have Given Us

Sums Insured

You must ensure the sums insured provided are correct.

The **buildings** sum insured must be enough to fully rebuild the **buildings** at **your premises** including any expenses **you** have to pay for architects, surveyors, consulting engineers, legal fees, demolition and debris removal.

The **contents** sum insured must be enough to replace all the **contents** within **your buildings** with new items of the same or nearest equivalent quality and type.

Fair Presentation of Risk

You have a duty to make a fair presentation of all material and relevant facts to **us**. Providing **us** with inaccurate information or failing to tell **us** of anything which may increase the risk may invalidate this policy or lead to claims not being paid or being paid in part only.

You must take care when answering any questions **we** have asked by ensuring that any information provided is accurate and complete. This duty applies at the start of **your** policy, at any time a variation occurs during the policy period and prior to the renewal of **your** policy.

We may avoid the policy and refuse to pay any claims where any failure to make a fair presentation is:

- i) deliberate or reckless; or
- ii) of such other nature that, if **you** had made a fair presentation, **we** would not have issued the policy.

We will return the premium paid by **you** unless the failure to make a fair presentation is deliberate or reckless.

If **we** would have issued the policy on different terms had **you** made a fair presentation, **we** will not avoid the policy (except where the failure is deliberate or reckless) but **we** may instead:

- i) reduce proportionately the amount paid or payable on any claim, the proportion for which **we** are liable being calculated by comparing the premium actually charged as a percentage of the premium which **we** would have charged had **you** made a fair presentation; and/or
- ii) treat the policy as if it had included such additional terms (other than those requiring payment of premium) as **we** would have imposed had **you** made a fair presentation.

Changes in Circumstances

We have relied on the information and statements which **you** have provided in the proposal form or statement of fact. **You** must tell **your broker** of any changes to the answers **you** have given as soon as possible.

In particular, **you** must tell **your broker**:

- if **you**, **your** family or any person named in the **schedule** receive a county court judgement, conviction or are prosecuted (except for motoring offences where a custodial sentence has not been served);
- if **you**, **your** family or any person named in the **schedule** have been declared bankrupt or become subject to bankruptcy proceedings;
- about any changes to **your buildings** that will increase the rebuilding costs;
- about any changes to **your contents** that will increase the reinstatement costs

Please also ensure that **you** review pages **11** and **12** for other more specific general conditions relating to **your property** whereby it will be necessary to advise **your broker** of changes.

Alteration in Risk

Upon being notified of any such alteration in risk by **your broker** as mentioned under Changes in Circumstances or as set out by the general conditions on pages **11** and **12**, **we** may, at **our** discretion;

- ii) restrict the cover provided under each applicable or differing sections of the policy
- iii) impose additional terms
- iv) alter the premium
- v) cancel each applicable or differing sections of the policy and/or the policy in its entirety

If **you** fail to notify **your broker** of any such alteration, **we** may;

- i) treat the applicable section and the policy as if it had come to an end as at the date of alteration of the risk, returning a proportionate amount of the premium for the unexpired **period of insurance**, if **we** would have cancelled this section and the policy had **we** known of the alteration
- ii) treat the applicable section and the policy as if it had contained such terms (other than relating to premium) or other restrictions (if any) from the date of the alteration in risk as **we** would have applied had **we** known of the alteration.

Claims Limitations and Settlement Provisions

Applicable To Section One – Buildings

Settling claims - How we deal with your claim

If **your** claim for loss or damage is covered under Section One, **we** will pay the full cost of repair as long as:

- the **buildings** were in a good state of repair immediately prior to the loss or damage
- the sum insured is enough to pay for full cost of rebuilding the **buildings** in their present form
- the damage has been repaired or the loss has been reinstated.

We will subtract an amount for wear and tear or betterment from the cost of any replacement or repair if immediately before the loss or damage the **buildings** were not in a good state of repair.

We will not pay the cost of replacing or repairing any undamaged parts of the **buildings** which form part of a pair, set, suite or part of a common design or function when the loss or damage is restricted to a clearly identifiable area or to a specific part.

If at the time of loss or damage it is **your** intention to demolish the **building**, **our** liability shall be limited to the additional costs of Debris Removal solely incurred as a result of such loss or damage.

Your sum insured

We will not reduce the sum insured under Section One after **we** have paid a claim as long as **you** agree to carry out **our** recommendations to prevent further loss or damage.

If **you** are under insured, which means the cost of rebuilding the **buildings** at the time of loss or damage is more than **your** sum insured for the **buildings**, then **we** will proportionally reduce the amount of any claim payment made by the percentage of under payment of the premium which has arisen. For example, if the premium **you** have paid for **your buildings** insurance is equal to 75% of what **your** premium would have been if **your buildings** sum insured was enough to reconstruct **your buildings**, then **we** will pay up to 75% of any claim made by **you**.

The sums insured in this section will be index linked at each renewal of **your** policy in line with The House Rebuilding Cost Index issued by the Royal Institution of Chartered Surveyors. At renewal, the premium will be charged on the adjusted sum insured. For **your** protection should the index fall below zero **we** will not reduce the sum insured.

Limit of insurance

We will not pay more than the sum insured for each **premises** shown in the **schedule**, including any expenses **you** have to pay and which **we** have agreed in writing for architects, surveyors, consulting engineers and legal fees.

Applicable to Section Two - Contents

Settling claims - How we deal with your claim

If **you** claim for loss or damage to the **contents**, **we** will at **our** option repair, replace or pay for any article covered under Section Two.

We will not pay the cost of replacing or repairing any undamaged parts of the **contents** which form part of a pair, set or suite or part of a common design or function when the loss or damage is restricted to a clearly identifiable area or to a specific part.

Your sum insured

We will not reduce the sum insured under Section Two after **we** have paid a claim as long as **you** agree to carry out **our** recommendations to prevent further loss or damage.

If **you** are under insured, which means the cost of replacing or repairing the **contents** at the time of the loss or damage is more than **your** sum insured for the **contents**, then **we** will proportionally reduce the amount of any claim payment made by the percentage of under payment of premium which has arisen as a result of the shortfall in the sum insured. For example if the premium **you** have paid for **your contents** insurance is equal to 75% of what the premium would

have been if **your contents** sum insured was enough to replace the entire **contents** as new, then **we** will pay up to 75% of any claim made by **you**.

The sums insured in this section will be index linked at each renewal of **your** policy in line with The Consumer Durables Section of the General Index of Retail Prices or a similar index selected by **us**. At renewal, the premium will be charged on the adjusted sum insured. For **your** protection should the index fall below zero **we** will not reduce the sum insured.

Limit of insurance

We will not pay any more than the sum insured for the **contents** of each **premises** shown in the **schedule**.

Applicable to Section Three – Property Owners Liability

Limit of insurance

We will not pay in respect of other liability covered under Section Three more than **£2,000,000** in all unless otherwise stated in the **schedule** for any one accident or series of accidents arising out of any one event, plus the costs and expenses which **we** have agreed in writing.
